

LETTER OF APPRECIATION

This is to certify that **Rohini Das** has been a member of the Becoming I Foundation - Vellore Chapter, from December 2020 to December 2022. During her tenure, she provided students with guidance, imparted a thorough understanding of English and Mathematics concepts, and facilitated character development.

Our sessions aimed at maximizing youth engagement by shedding light on several community development issues. Through various engaging activities, we not only sought to increase social welfare, but also help our members develop their communication and leadership abilities. Her strong work ethic and genuine involvement made her an integral part of the club, and she evolved into a well-rounded, diligent, and confident individual.

We at the Becoming I Foundation - congratulate and appreciate her efforts towards societal development and look forward to future collaborations.
